

JAN WILMKING

Jan Wilmking has been a Managing Director of zLabels since 2013, and within the wider Zalando group he is also responsible for strategy and new business. Before joining the company he worked at Rocket Internet and McKinsey & Co., where he advised a global portfolio of clients in retail, consumer goods and fashion. He is a graduate of the Harvard Business School, class of 2010.

Fun fact: He speaks fluent English, German and a bit of Spanish and got trained by Lufthansa after finishing high school – so he can guide you to the nearest emergency exit in at least three different languages.
